Cheers to the 2026 Newquay Beer Festival

Newquay Towan Blystra Lions are delighted to be bringing the festival back once again, and we're incredibly grateful to Hendra Holiday Park for their continued generosity in allowing us to host this fantastic event.

If the surroundings look a little different this year, you're not imagining it! Hendra's

fantastic new activities centre - Newquay Rocks - is now complete and is a brilliant addition to the Holiday Park. Its new home includes part of the area where we traditionally held the Beer Festival, so we've once again moved across onto the grass. We rather like our new setting though and had great feedback from last year's event. This year we have even more of the festival under cover so the rain, if it comes, shouldn't put a dampner on things.

Most importantly, thank you for being here. Your

support is what makes the Newquay Beer Festival possible and, through your generosity over the years, the event has now raised well over £130,000 for local charities and good causes. That money makes a real difference to organisations and people in our community who might otherwise have to look elsewhere for the help they need.

We're equally grateful to the many people who give their time, talent and support to make the festival such a success — particularly our brilliant musicians who entertain us throughout the weekend completely free of charge, our generous sponsors, our fantastic volunteers and fellow Lions from clubs across the South West who come along to help us.

So thank you for joining us once again. We hope you have a fantastic weekend, enjoy some great beer and cider, brilliant live music and, above all, have a thoroughly good time!

Lion President Jon Collins

drinkaware

Don't forget to drink responsibly and remember we operate a Challenge 25 policy so make sure you have relevant ID.

EVER THOUGHT OF COMING TO JOIN THE FUN?

When Lions Clubs raise funds to help others, they take none of this in admin charges. Members individually pay a small subscription that goes towards the costs of running, not only their own club, but the costs involved in running the World's Largest Service Organisation - one that spans over 200 countries and national territories with around 1.4 million members.

JUST ASK WHY WE JOINED

Over the Beer Festival weekend you will meet many volunteers, most of whom are Lions from one of the two clubs that are based in Newquay and also others from further afield. When talking to them, please feel free to ask: "So why did you join?" and listen to the range of different reasons they give. For some it's the opportunity to meet new friends and enjoy regular socialising; for others it is primarily their wish to become more involved in helping to support others in the community. There's no one reason for joining and if anything you hear makes you think this could be something you'd like to be involved in, just tell us. We welcome all regardless of gender, race and religion and the more Lions we have in the community, the more service and good work we can accomplish. At present, there are over 60 Lions in Newquay alone and almost 9,000 across the UK. It's a big family, but it's one that cares and appreciates everything that its members achieve. But mainly it's FUN - so come on - JUST ASK US!
